

DO IT FOR
YOURSELF!

ACCELERATE VEGETABLES

Make veggies your best friend while following your Tony Ferguson Accelerate eating plan. They are a great source of vitamins, minerals and fibre and they assist your weight control by helping to fill you up.

We recommend a minimum of 3 cups per day, but you can eat as many vegetables from the list below as you like.

UNLIMITED VEGETABLES

Alfalfa Sprouts	Celery	Mushroom
Asparagus	Chives	Onion
Baby Marrow	Choko	Peppers
Bamboo Shoots	Cucumber	Radish
Beans (green, yellow)	Eggplant/Brinjal	Rocket
Bean Sprouts	Fennel	Shallots
Bok Choy	Gem Squash	Spinach
Broccoli	Leek	Spring Onion
Brussel Sprouts	Lettuce (all types)	Tomato
Cabbage (white/red)	Mange Tout	Vegetable Greens
Cauliflower	Mung Bean Sprouts	Watercress

TONY'S TIP

Veggies are versatile so use them to help you keep things interesting. Whip up a quick salad or stir fry, roast them, make them into a delicious side dish or simply cut them into sticks for an on-the-go snack.

Remember, even the most dull Brussel sprout can be made delicious by slicing in half and frying in a pan with lemon juice and balsamic vinegar.
